

Parent Involvement Questionnaire

(Please fill out this form to the best of your abilities and return with your registration form)

Being part of the West Linn Community Preschool takes a commitment from your family. The following questions are asked to help your family start the conversation on how you will be able to participate and support your child's school year.

Each month there are 2-3 parent help days where classroom parent helpers come ½ hour early for setup, work in the classroom and then stay ½ hour late for cleanup.

*Which family member/s will be contributing their time on these days? _____

*Is there something we can help do to make it easier for your family?

Part of our community element is that we provide a child care swap list that parents can use to begin exchange childcare for younger siblings. This is done in an effort to relieve the stress of arranging child care on parent help days.

Note: Infants are allowed in the classroom on parent help days as long as they are less than 12 months old and can be strapped onto the parent's body.

*Does your preschooler have a younger sibling/s? How many? _____

*If yes, would it be helpful to participate in a childcare swap list? _____

Parent Jobs are a necessity to keep our school running smoothly. It is with pride that we celebrate each family's individuality. We would love to hear what talents, strengths or hobbies your family is able to contribute for the upcoming school year. We will then take those strengths and try to place you into a job best suited for your family. Please list below each person in your family that will be able to contribute time into a family job.

Parent #1

Parent #2
